

Retirement Plan Investment Update

Select Mid Cap Growth Equity II Fund is now Select Mid Cap Growth Fund

Effective March 28, 2017, MML Investment Adviser, LLC (“MML Advisers”), the investment adviser, renamed Select Mid Cap Growth Equity II Fund to Select Mid Cap Growth Fund. *T. Rowe Price Group, Inc.* (T. Rowe) and *Frontier Capital Management Company, LLC* (Frontier) will remain the Fund’s co-subadvisers. The subadvisers handle the day-to-day portfolio management responsibilities of the Fund. The name change to this Fund also applies to the separate investment account (SIAs) that derives value from the Fund and serves as the corresponding investment option in some retirement plans. This is a name change only; there has been no change to the management approach employed by T. Rowe and Frontier.*

Why did we make this change?

MML Advisers determined that, as the only mid-cap growth fund in the family of funds, a more streamlined naming was appropriate. Specific details about the Fund are available in the MassMutual Select Funds prospectus and summary prospectus (dated March 29, 2017). The prospectus and summary prospectus are available on RetireSMARTSM, MassMutual’s plan participant Web site, at <http://www.retiresmart.com>. These documents are also available to the public at <http://www.massmutual.com/retire/investments>.

Do you need to do anything?

No. MassMutual handled every aspect of this change.

What will participants notice in their accounts?

This change has no impact on the current value of participant accounts and will not increase the investment option’s fees or expenses. Participants will likely only notice the change to the name of the investment option (indicated above).
